1.1.103
a Lesson in the University of The New Covenant
Theodore Cottingham, September 23, 2003
www.unc.bz

1. I have networks of networks that you know nothing of, but you will, if you let Me teach you, revealing Myself to you in ways that I have desired for centuries.

2. Oh listen oh reader, oh hearer of these words on Ted's mother's birthday—September 23, 2003, I love you, I love you, I love you. And if you will let Me, I will come in to you and sup with you and reveal Myself like never before in history, like never before in history, like never before seen and felt or experienced, in the history of man. The time, the season, is now. You are the chosen generation to experience My outstretched hand in ways of power of choice few have had.

3. You love Me, you love Me, but most of you have sin in your lives that has stopped My purity from coming in fullness to your purity, for you have loved Me but loved Me with so many other things. You have not let Me be Me, in you, in your life, in your daily life and experience life together like I designed it.

4. You elevate men and listen to them as god instead of coming to Me and sitting at My feet and letting Me reveal Myself to you in the manner that I have called, fashioned, designed, allowed, enjoy, and get excited about.

5. You are wild and undisciplined, mostly, mostly, and not broken for the Master's use—broken, broken so that His fullness, My fullness, our fullness can flow into you—us pouring ourselves into you, as you pour yourself into Me, and allow us to move, together, in concert, in congruence, in alignment, and not conflict or confusion.

6. You want to accept these words and you want to reject these words, mostly, wondering if they are My words to My now generation where I say Joel 2 has begun, and you are the ones to experience My words of long ago, long ago, long ago to you, today.

7. Free Me so I can free you. Invite Me, so I can invite you. I've already invited you. I've already prepared for you. My truth, My delicacies, My delectables that are priceless and found only in Me are at My table, on My table, as I am, with bread and wine and Truth, awaiting your entrance, your seizing the opportunity that is before you this day.

8. I love you. I love you. I love you. I love you. I love you. I love you. Do you love Me? How much do you love Me? How long can you wait, reading My words, and partake not of My invitation, My request, My delights?

9. Oh come to Me My beloved and let Me make Myself known to you and love you and touch you and hug you and heal you and teach you and confidence you and significance you and secure you so that you are never insecure in your world again, so

that you walk in a sweet deep unwavering unshakable confidence that is based on a value system of truth, My Truth, My Word, and My words to you.

10. Develop, mature, grow up, seize the opportunity this day to participate in the many new things I am doing—many, many, many new things I am doing. Let no one dissuade you from coming to Me for all I have for you. And listener, oh dear listener, oh dear reader, oh lamb of Mine who I died for, who I birthed, who I gave birth to, come, come, come to Me and let Me give you a calm assurance that these are My words and you'll have My words, in manifold measure, Me to you, Me to you, Me to you, and you to Me, as lovers, lovers, lovers, in dimensions that transcend time and space, time and space as you know of it, as you think of it.

11. Oh networks of networks I am culminating into combinations of power and dimensions of selflessness that operate on love and flow in My Spirit, by My Spirit, for My all to see My hand like never before.

12. Will you participate with Me in the new things I am doing?

13. New art, new technology, new dimensions and paradigms of learning and being taught, of teaching and hearing and writing and doing and experiencing Me. Oh revelation of Me in My Mine who will river Me to My died ones—My dead ones, who yet can come to life, life, life in Me, selflessly, selflessly, selflessly, rivering Me to My Mine all around them in networks of power, nodes and bastions of My truth, transmitting and maturing My Mine to operate in dimensions of power in prowess unveiled.

14. Unveiled, unveiled, unveiled. Will you come? Will you teach? Will you learn? Will you network in the new things I am doing to plunder that which belongs not to those illegitimate?

15. I honor, I respect, I obey, I command, I wait, I respect, I call, I watch, I wait, I call, I come, I share, I speak, I wait, I watch, I come and outstretched I am all over My table, for you, My truth, My Holy of Holies, open to you.

16. Schools of schools, for the willing, the willing, the willing and obedient, obedient in Me, in such total freedom—universities of Me—as never seen before—experienced by all who are ready, ready, ready for My appearing—open to see Me and not run from Me, coming to Me and not afraid of Me, pure before Me and not tainted, immersed in selfishness, loving Me, loving My body, valuing My appearing and every moment with Me.

17. Hear, see, feel, become.
18. Hear, see, feel, become.
19. Hear, see, feel, become.
20. Me—My way, for you, for now, now, now, I come, I call, and I await your response.

21. So many details, daily instructions for operating in My big world, I have for you, you, you—so insecure, so wanting man's approval and authentication, when I so

desperately, pleadingly, call you to let Me approve, authenticate, purify, and promote, promote, promote you.

22. Man promotes you when it's beneficial to them.
I promote you when it's beneficial to you.
Oh, if you only knew, oh if you come, oh if you will believe and let Me speak to you directly.

You want to read specifics and revelation after revelation from My servant, some of you, without paying any price, without coming to Me, without ever coming to My table, without even telling him thank you, or Me, thank you.

You want more, more, more from and through other men and women of prayer and purity—and can't you see, can't you hear, can't you feel My message to you, clearly, heart-poundingly, clearly, that I want you, you, you, you listener, you reader, you oh seeker, wonderer of Me, to come to Me so I can reveal Myself to you, My table to you, My truth to you, and give glory to you that you cannot imagine, as, as, as you glorify Me, My Father, our Spirit—one.

Come let Me empower and enable you to receive My words in ways so precious, life sustaining, for you, for your seed, for generations to come.

23. I love you, I love you, I love you. Come, come, come to Me please.

24. Don't wait so long Ted, to sit at My feet, to share with Me in My chambers—days since you did last.

25. Daily, daily, daily.
Come, come, come.

26. Providence has provided.
Grace has provided.
I have provided.
Daily, Ted, please, please, please.
Daily, daily, daily.

27. Raise up My prophets to hear My voice.
Free My stallions.
This is the day—Joel 2 rides again, and never before like this—now, today, your time, your generation, and yours to follow.

Run, run, gallop, soar, fly, and enjoy Me—
Daily, daily, daily.

28. All are five fold.
All are five fold.
All Ted, all are five fold.
No one have I left out.

No one is without Me—who will receive Me.

29. No two classes of kings and priests anymore.
No two classes of kings and priests anymore.
Shouting it I am—no two classes of kings and priests anymore.
Whispering it I am—no two classes of kings and priests anymore.
One, one, one.
Whispering it, implanting it, deeply, into My receivable—
One, one, one.

30. Not haves and have-nots—one, one, one.

31. This is the day.
School the apostles.
School the prophets.
School the evangelists, teachers, preachers.
For then Ted, you exclude no one who is ready.

32. Intimacy—with Me—I offer.
I withhold nothing.
I come, I call, I wait—for you.
Come, believe, trust, test, investigate, inquire, and I will speak, assure, strengthen, heal, and you will testify, and be transformed, into My likeness, arrogance-free, selfishness-free, more and more.

33. This is the day.

Will you let My words be fulfilled in you? Today?
Though My Spirit, and operate in My power?

34. Schools, networks, “discoveries,” creations, all of Me—from My hand, for My purposes, for My glory, not yours, for My glory.

35. Tender, tender, tender.
Selfless, selfless, tender.
Joyous, wisdom-filled, tender.
Kind, tender, healing.
Healing, kind, tender.
Patient, healing, kind.
Touching, interceding, empowering.
Enabling, restricting those unready.
But teaching, teaching, teaching.
Interceding, interceding, interceding.
Freeing all in Me.
I’m ready.
You’re ready.
Let’s go.

36. Arise, take My hand. Take My hand, our hands clasped together. Our hearts clasped together, bonded, one, let's go.
